SHIPPING CASES REQUEST FORM

I have added branch options to systems who have multiple InfoExpress stops so transit supplies go to the correct library. If I've missed you, please let me know!

REGIONAL USER GROUPS

Registration for the upcoming Regional User Groups will open at the beginning of August. Check the [calendar](#) for dates and locations.

If you have an active subscription to Wowbrary and would like to update the catalog links in your newsletter to the Aspen catalog, please contact Jeff Levinsky at jeff@wowbrary.org.

DIGITAL BARCODES IN ASPEN

Patrons logged in to their Aspen account can now see a digital version of their library barcode on the Your Library Card page. Libraries may choose to use this as an alternate form of their physical library cards.

Need a little inspiration for promoting Aspen to your patrons? Check out [South Whitley's Aspen FAQ](#) page! It includes a quick video and information on how to use the My Account feature!

TRAINING OPPORTUNITIES

The Circulation fundamental webinars are getting updated! Check back in August for scheduled webinars!

Make sure to also check the calendar for other scheduled training opportunities and upcoming committee meetings.
