

WEEKLY UPDATE

EVERGREEN INDIANA

2024Q3 INVOICES

The Payment Reconciliation invoices for 2024 Quarter 3 are now available in the web client. If you did not receive an invoice, then you do not owe any money.

BARCODE BUYING POOL

The next barcode buying pool will occur the week of October 14!

CLOSED ON 14TH

The Indiana State Library and El Admin Office will be closed on Monday, October 14th for the holiday.

CHECKING SRCS MATERIAL

While the program has officially ended, we still have material circulating at SRCS libraries and some that have been stuck in an alternate status after being returned. At this time, we recommend taking a look at [this shared bucket](#) to see if your items are indeed circulating, or if you have them back in hand. If so, check them in or cancel the transit (and then check in) to get them back into an available status. We will be working on SRCS materials that are still showing up in our catalog.

LIBRARYIQ UPDATE

LibraryIQ has some new features enhancing patron data collection. You can learn more about it by accessing the How-To videos in your [LibraryIQ dashboard](#). Contact Courtney if you do not have an account.
